Meeting Minutes

Meeting was called to order at 1:43 pm.

Megan Quinn reported on potential funding sources based on her recent conversation with Shawn King from the State Revolving Fund. Other potential funding sources including local, state, and federal were discussed while noting that the current timeline to complete the level 2 is March of 2024.

Chair Bob Frodeman provided additional updates about current progress, including plans for a couple test sites to be drilled in the weeks ahead.

The meeting was adjourned.
